Q.M.

Honored Sir,

I beg ~~to~~ leave to submit that the Inam villages of Gangadahosahally and Aswalu are mortgaged to Government and are under Government management since December 1904. The entire revenues of these two villages from different sources are to be appropriated towards interest and principal in the liquidation of the debt from the year "Viswavasu" (1905-06), as the Government were pleased to order refund of the collections for the year "Krodhi" (1904-05) vide Government Proceedings No. Fl,512-4/ R.F.9-99-00 dated 17th July 1905.

But my claims to the toddy revenue have not as yet been settled although all sannads, title-deeds, and muchalikas from Government contractors have all been submitted long long ago to the Deputy Commissioner Mysore District and Hunsur Sub-Division Officer more than once ; and my several reminder petitions remain unheeded.

This delay materially affects instalments towards liquidation of Government debt to the extent of nearly Rupees 400/- annually and so I shall have to suffer by payment of excessive interest on the principal debt.

Further I beg to add that there has been accumulated arrears of toddy revenue due to me until the year "Krodhi" i.e. for the last about 14 years remaining unpaid to me consequent upon the delay in this settlement

which has brought on me serious troubles and inconveniences and that even payment of the portion of revenues in the shape of advances has been withheld since 1902 and this has enhanced my difficulties with the result that I had to sell my old family house at Mysore to meet interest due to the former mortagee.

Under these circumstances I beg to submit this application and to request that you will be pleased to bring this to the kind notice of His Excellency the Dewan Sahib with your kind recommendation and order very early settlement of the case and to sanction an advance of Rupees 1000/- at a very early date to meet very urgent demands pending adjustment out of the refund bills of the old arrears of toddy revenues of the Inam villages named above for about 14 years past i.e. up to the end of the year "Krodhi" (1904-05) and also to order to credit these revenues in future to my loan account from "Viswavasu" (1905-06).

With this prayer

I beg to remain,

Excise Commissioner

in Mysore.

To

K. S. Chandrasekhara Aivar, Esq., B.A., B.L.,

Secretary to the Government of His Highness the

Maharaja of Mysore, General and Revenue Depts

Sir,

I have the honor to submit herewith the records of enquiry relating to the claim of the Inamdar to the Excise revenue from toddy of Sarvamanya Gangadahosahalli village in the Heggada--devankote Taluk of the Mysore District, together with the corres--pondence ending with the Deputy Commissioner's docket No.39, - - dated the 9th July 1909 and to state that I concur in the opinions recorded both by the investigating officer and the Deputy Commis--sioner that the Inamdar is entitled to the Excise revenue from toddy of the village.

2 This village was granted on Sarvamanyam tenure to Huzur - - Musahib Annoo Rama Rao by His Highness the late Maharaja Sri - - Krishnaraja Wadayar Bahadur under a Sannad dated the 16th February 1830. In this Sannad "Eachalpairu " is conceded to the Inamdar.

Besides

Besides in the assets of the total berij which was alienated is included a sum of 2-1-0 M.F.V. on account of "Sendi It is, therefore evident that not only was the Excise on toddy conceded by the Sannad but there was actual revenue from that source even at the time of alienation.

3. At the Inam Settlement conducted in the year 1879 toddy was conceded to the Inamdar. In para 3 of column 19 of the Inam Register of enquiry of the village, the Inam Assistant has recorded that saver, Abkari and Forest rights except sandal are conceded to the Inamdars. The Inam Superintendent says in para 2 of column 20 that the rights to the items of sayer, toddy and forests, except sandal are conveyed in the sannad and are conceded, all other rights to abkari being reserved.

4. In proof of the enjoyment of this revenue the Inamdar has produced Mutchalikas beginning with Messrs R.N.Taylor and Co., and ending with Messrs R.C. Muddappa and Co. This documentary evidence commences from the 1st April 1870 and covers a period of 22 years prior to the year 1892-93.

5. The village in question contains both a toddy shop and a cocoanut grove. The Inamdar's claim to the Excise revenue from toddy is supported by the Sannad, the Inam Settlement and long enjoyment.

and

and has accordingly to be allowed subject to Rules 2.5.9 and 12

in Government Proceedings No.2074-83/R.F.166-92. dated the 2nd August

1901.

I have the honor to be,

Sir,

Your most obedient servant,

for Excise Commissioner.
